Screen specification: Homepage (Product List)	20/4/2026	SonDH	KienNHT	DucLK

1. Control Table

				Control	Operation	Function
				Search Bar & Category Dropdown	Input / Select	Allows users to search for specific items by keywords and optionally scope the search to a specific category.
				Sidebar Filters (Format/Price)	Click	Filters the product grid dynamically based on media type (Books, CDs, etc.) and selected price buckets.
				"Khám Phá Ngay" (Explore) button	Click	Promotional CTA that redirects users to a featured collection or campaign page.
				Sort Dropdown	Select	Rearranges the displayed products based on criteria like "Newest", "Price: Low to High", etc.
				Quantity Stepper (+ / -)	Click	Adjusts the quantity of the specific item the user intends to add to their cart.
				"Thêm vào giỏ" (Add to cart) button	Click	Adds the selected product and quantity to the user's shopping cart. Updates the cart badge icon in the header.
				Pagination Controls (Bottom)	Click	Navigates through multiple pages of the product

			catalog (Previous, Specific Page Numbers, Next).
	Cart Icon (Header)	Click	Redirects the user to the Cart screen. Displays a badge with the current number of unique items.

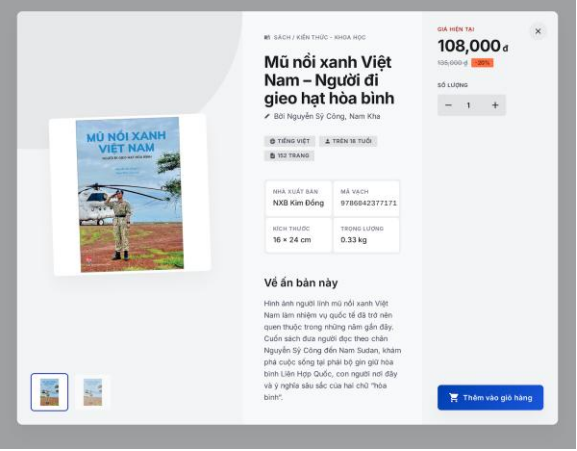

2. Defining the field attributes

Screen name: Homepage

Item	Length	Type	Color	Remarks
Media title	100 characters	Text	Black	Bold, multi-line truncation if too long. Clickable to open Product Detail.
Author / Creator	50 characters	Text	Dark Gray	Displays below the title (e.g., Nguyễn Sỹ Công).
Category Badge	15 characters	Text	Gray	Small chip overlaid on the top left of the thumbnail (e.g., SÁCH, DVD).
Current Price	20 digits	Numeral	Primary Blue	Bold, format: xxx.xxx đ. Followed by an italicized VAT note.
Stock Status Badge	30 characters	Text	Green/Orange	Dynamic visual warning. Green for healthy stock; Orange for low stock (e.g., "Chỉ còn 3 sản phẩm").
Quantity Input	5 digits	Numeral	Black	Centered within the stepper component. Default is 1.
Search Text	255 characters	Text	Black	User input text field.
Banner Title	50 characters	Text	White	H1 styling for promotional hero section.
Total Product Count	10 digits	Numeral	Dark Gray	Displays current viewing range (e.g., "Hiện thị 1-20 của 142 sản phẩm").
